The 16th International Conference on

Human Antibodies & Hybridomas

7-9 NOVEMBER 2011, THE NOVOTEL CANNES MONTFLEURY, CANNES, FRANCE

Sponsored by the International Journal Human Antibodies
In association with the Integrative Medical Sciences Association

Programme Chairman: Professor Mark Glassy (IMSA, San Diego, USA)

Scientific Advisory Committee

Mirek Gorny (New York University School of Medicine, New York, USA)
Zdenka L. Jonak (GlaxoSmithKline, USA) · Henry Lowman (Lowman Consulting, USA) · J. Donald Capra (OMRF, USA)
Roberto Burioni (Università Vita-Salute San Raffaele, Milan, Italy) · Dee Athwal (Maksha 8, UK)
Kathy Potter (Southampton University, UK) · Jim Larrick (Panorama Research Inc., USA)
Alois Lang (GeneNeuro SA, Geneva, Switzerland) · David P. Humphreys (UCB-Celltech, Slough, UK)
Stéphane Leclair (MorphoSys AG, Martinsried, Germany) · Eszter Nagy (Arsanis GmbH, Vienna, Austria)
Sachdev Sidhu (University of Toronto, Canada) · John Haurum (ImClone Systems, New York, USA)
Paul Kerr (Fusion Antibodies, Northern Ireland, UK) · Yan Wu (Kadmon Pharmaceuticals LLC, New York, USA)
Bob Kelley (Genentech Inc., South San Francisco, USA) · Torben P. Frandsen (Symphogen A/S, Lyngby, Denmark)
David Naor (The Hebrew University, Jerusalem, Israel) · Alex von Gabain (Intercell AG, Vienna, Austria)

Invited Plenary Speaker: Dr Louis Weiner (Georgetown University, Washington DC, USA)

‘New Directions for Antibody Therapy of Cancer’

The HAH 2011 scientific programme will include keynote lectures, contributed papers and poster presentations emphasising all key aspects of human antibody and hybridoma technology, applications and engineering.

Closing date for poster abstract submissions Friday 23rd September 2011

Welcome & Opening Remarks
Professor Mark C. Glassy (IMSA, San Diego, California, USA)

SESSION 1: OPENING PLENARY
Moderator: Mark C. Glassy (IMSA, San Diego, California, USA)

Keynote Lecture:
‘New directions for antibody therapy of cancer’
Louis Weiner (Georgetown University, Washington DC, USA)

‘Antibody enhanced stem cell therapy’
James W. Larrick, Manley Huang, Andrew Mendelsohn, Vikram Sharma, Susan C. Wright, Jianming Wang, Larry Lum and Randall Lee (Panorama Research Institute, Sunnyvale, California, USA)

‘Why microbes have been neglected so far by mAb developers?’
Eszter Nagy (Arsanis GmbH, Vienna, Austria)

Coffee Break & Posters Set-Up

SESSION 2: PLENARY II
Moderator: Zdenka K. Jonak (GlaxoSmithKline, King-of-Prussia, Pennsylvania, USA)

‘Cytotoxic activity of natural human antibodies’
Mark C. Glassy (IMSA, San Diego, California, USA)

‘Surface IgM of CLL cells displays unusual glycans indicative of engagement of antigen in vivo’
Kathy M. Potter (University of Southampton, Southampton, UK)

‘Synthetic antibodies for probing cell signalling’
Sachdev Sidhu (University of Toronto, Ontario, Canada)

‘E. coli periplasmic expression of Fab’ fragments at 2–5g/l’
David P. Humphreys (UCB-New Medicines, Slough, UK)

Lunch Break & Posters

SESSION 3: CANCER
Moderator: Louis Weiner (Georgetown University, Washington DC, USA)

‘Advances in cancer immunotherapy’
Zdenka K. Jonak (GlaxoSmithKline, King-of-Prussia, Pennsylvania, USA)

‘Targeting TGFBRII in oncology: A potent immunomodulatory antibody with various effects on cancer progression’
John Haurum (Imclone Systems, New York, USA)

‘Recombinant antibody mixtures for the treatment of cancer’
Torben P. Frandsen (Symphogen A/S, Copenhagen, Denmark)

‘Antibody–Maytansinoid Conjugates (AMCs): realizing the promise of antibody–directed targeting in cancer patients’
John M. Lambert (ImmunoGen Inc., Waltham, Massachusetts, USA)

‘Cytotoxicity of human antibody light chains against cancer cells’
Emi Hifumi and Taizo Uda (Oita University, Oita-shi, Japan)

Tea Break & Posters

SESSION 4: INFLAMMATION & RELATED
Moderator: James W. Larrick (Panorama Research Institute, Sunnyvale, California, USA)

‘New frontiers in inflammation therapeutics’
Alois B. Lang (GeNeuro, Geneva, Switzerland)

‘CD44 and RHAMM (CD 168) non-identical twin players (and therapeutic targets) on the stage of inflammation therapy’
David Naor, Nathalie Assayag-Asherie, Shlomo Nedvetzki, Itmar Raz and Eva A. Turley (The Hebrew University, Jerusalem, Israel)

‘A phage display approach for anti-inflammatory therapeutic antibody discovery’
Andrew E. Nixon (Dyax Corporation, Cambridge, Massachusetts, USA)

‘BENLYSTA: A human monoclonal antibody against BlyS for the treatment of SLE’
Larry Lo (Human Genome Sciences Inc., Rockville, Maryland, USA)

Welcome Drinks Reception & Posters Session

SESSION 5: MOLECULAR BIOLOGY I
Moderator: Alois B. Lang (GeNeuro, Geneva, Switzerland)

'Understanding the biology of human IgG4'
Shirley Peters (UCB-New Medicines, Slough, UK)

'Rapid discovery and optimization of therapeutic human antibodies using Adimabs yeast-based discovery platform'
Jonathan Belk (Adimab Inc., Lebanon, New Hampshire, USA)

'Effect of IgG subclass or allotype on the ability to generate a high expressing mammalian cell line and high yielding antibody manufacturing process'
Gregory T. Bleck (Catalent Pharma Solutions, Middleton, Wisconsin, USA)

'Title to be confirmed'
Jody Berry (Cangene Corporation, Winnipeg, Manitoba, Canada)

Coffee Break & Posters

SESSION 6: MOLECULAR BIOLOGY II
Moderator: Don Capra (OMRF, USA)

'Using the power of in vitro selection by phage display to identify recombinant antibodies with optimised properties to various life threatening pathogens'
Stefan Dubel (Technische Universität Braunschweig, Braunschweig, Germany)

'Tailored antibody library design for optimized drug development'
Robert Rauchenberger (MorphoSys AG, Martinsreid/Planegg, Germany)

'Novel human antibody platforms based on genetically engineered rats'
Roland Buelow (OMT Inc., Palo Alto, California, USA)

'Enhanced production of Fc fusion proteins and blood clotting factors using an engineered CHO cell line'
Pierre-Álain Girod (Selexis, Plan-les-Ouates/Geneva, Switzerland)

'Using thermostabilised receptors (StaRs) to generate therapeutic antibodies to GPCR targets'
Catherine Hutchings (Heptares Therapeutics Ltd, Welwyn Garden City, UK)

Lunch Break & Posters

SESSION 7: TECHNOLOGY
Moderator: David P. Humphreys (UCB-New Medicines, Slough, UK)

'Monoclonal antibodies from plants – technical, regulatory and commercial feasibility'
Julian Ma (St George’s University of London, London, UK)

'Lessons learned about animal cells in bioreactors (small and big): making antibodies fast and economical in 2011 and beyond'
Florian Wurm (Swiss Federal Institute of Technology, Lausanne, Switzerland)

'Next generation genome engineering of immune loci to generate therapeutics with novel properties'
Lynn Macdonald (Regeneron Pharmaceuticals, Tarrytown, New York, USA)

'The bifunctional hybrid protein: A new enabling technology for non-linear epitope mapping'
Fabrizio Giannotta (ProGenasis SA, Liege, Belgium)

'New hybridoma technologies for producing monoclonal antibodies'
Masahiro Tomita and Kanta Tsumoto (Mie University, Tsu Mie, Japan)

'Proodies™: A new generation of biologics engineered for tissue specificity'
Henry B. Lowman (Cytox Therapeutics Inc., South San Francisco, California, USA)

'Bioactive antibody peptides'
Luciano Polonelli (Università degli Studi di Parma, Parma, Italy)

Tea Break & Posters

SESSION 8: IP ISSUES
Moderator: Don Capra (OMRF, USA)

'Centocor vs. Abbott: Are US Courts losing their affinity for broad antibody patent protection?'
Andrew T. Serafini (Fenwick & West LLP, Seattle, Washington, USA)

'Biotech Patents: Genes, Antibodies and Andy Warhol'
Tom Gallagher (Kadmon Pharmaceuticals, LLC, New York, USA)

'Poker Face: Landscape of Antibody IP 2011'
James W. Larrick (Panorama Research Institute, Sunnyvale, California, USA)

'Expert witnesses/consultants in IP cases'
Matthew Pearson (Akin Gump, Philadelphia, Pennsylvania, USA)

Followed by an Open Panel Discussion:

'IP Issues That Matter'
Moderator: Don Capra (OMRF, USA)
Panel Members:
Andrew T. Serafini (Fenwick & West LLP, Seattle, Washington, USA)
Tom Gallagher (Kadmon Pharmaceuticals, LLC, New York, USA)
Matthew Pearson (Akin Gump, Philadelphia, Pennsylvania, USA)
Mark C. Glassy (IMSA, San Diego, California, USA)
John Haurum (Imclone Systems, New York, USA)
James W. Larrick (Panorama Research Institute, Sunnyvale, California, USA)
Alois B. Lang (GeNeuro, Geneva, Switzerland)

Free Evening for Delegates
SESSION 9: ANTI-INFECTIONARY ANTIBODIES
Moderator: Eszter Nagy (Arsanis GmbH, Vienna, Austria)

‘Human monoclonal antibodies against influenza’
Roberto Burioni
(Universita Vita-Salute San Raffaele, Milan, Italy)

‘Targeting the interferon network with synthetic antibodies’
Shane Miersch, Ashlesha Deshpande, Srilalitha kuruganti, Kumar Putcha, Mark Walter and Sachdev Sidhu
(University of Toronto, Toronto, Ontario, Canada)

‘Development of bispecific and multi-specific antiviral antibodies for prophylaxis and treatment’
Syd Johnson (Macrogenics Inc., Rockville, Maryland, USA)

‘Catalytic human antibody light chains showing anti-virus activity’
Taizo Uda, Akira Nishizono and Emi Hifumi
(Oita University, Oita-shi, Japan)

Coffee Break & Posters

SESSION 10: INFECTIOUS DISEASES
Moderator: Roberto Burioni
(Universita Vita-Salute San Raffaele, Milan, Italy)

‘Harnessing the human immune response to fight infectious disease’
Roger Beerli (Intercell AG, Schlieren, Switzerland)

‘The usage of the VH5-51 gene by human anti-HIV-1 V3 monoclonal antibodies determines their specificity to a conserved antigenic structure’
Mirek Gorny (New York University, New York, USA)

‘Title to be confirmed’
Matthew Mayle (Theraclone Sciences Inc., Seattle, Washington, USA)

‘The role of glycosylation in mAb mediated protection against Ebola virus: Continuing development of an Ebola immunoprotectant for human use’
Larry Zeitlin, Natasha Bohorova, James pettit, Lori Long, Steve Hume, Barry Bratcher, Michael Pauly, Herta Steinkellner, Gene Olinger and Kevin Whaley
(MAPP Biopharmaceuticals, San Diego, California, USA)

‘KBSA301 – a novel human monoclonal antibody for treatment of acute S. Aureus infections’
Holger Koch (Kenta Biotech AG, Bern, Switzerland)

‘Monoclonal antibodies against hepatitis C virus (HCV) receptors show broad range blocking of HCV infection’
John Thompson (GENOVAC GmbH, Freiburg, Germany) and Thomas Baumert
(Universite Louis Pasteur/Unite Inserm U. 748, Strasbourg, France)

Lunch & Poster Breakdown

SESSION 11: THERAPEUTIC ANTIBODIES
Moderator: Sachdev Sidhu
(University of Toronto, Ontario, Canada)

‘The landscape and future trends of antibody-based therapeutics’
Yan Wu (Kadmon Pharmaceuticals LLC, New York, USA)

‘Engineering next generation therapeutic antibodies’
Bjorn Hock (Merck Serono, Darmstadt, Germany)

‘Engineering therapeutic antibodies for subcutaneous delivery’
Robert Kelley (Genentech Inc., South San Francisco, California, USA)

‘Turning murine research MAbs into humanized drug candidates: case studies’
Richard Buick (Fusion Antibodies Ltd, Belfast, North Ireland, UK)

‘Therapeutic antibodies for the treatment of chronic kidney disease’
Sarah Barker (University of Toronto, Ontario, Canada)

‘Anti-citrulline antibody as novel therapeutic drug in early rheumatoid arthritis’
Jos Raats (ModiQuest Research, Nijmegen, The Netherlands)

Tea Break

SESSION 12: LATE BREAKING ORAL PRESENTATIONS
Moderator: to be confirmed

Abstracts for the Late Breaker Session should be sent to John Herriot at Meetings Management by Friday 30th September 2011.
Submit by e-mail to: jherriot@meetingsmgmt.u-net.com

SESSION 13: CLOSING PLENARY SESSION
Moderator: Mark C. Glassy (IMSA, San Diego, California, USA)

HAH 2011 Summary & Closing remarks

Closing Remarks by Conference Chairman & Departure

*This provisional programme is correct at the time of printing. However the organizers reserve the right to make any alterations that may be required in the interests and integrity of the provisional conference programme. A final programme with detailed timings will be issued in time for the conference in November.
'Direct selection of synthetic antibody fragments on cell surface targets from a phage-displayed library'
Amandeep K. Gakhal, Nish Patel, Helena Persson, Wei Ye, Saravanan Rajan, Simon Sitwell, Philip Kim, Jason Moffat and Sachdev Sidhu
(University of Toronto, Toronto, Ontario, Canada)

REGISTRATION
Delegates should register for HAH 2011 by completing the form provided on the back page of this brochure. The completed Conference Registration Form plus payment (in £ Pounds Sterling) should be sent to the HAH 2011 Conference Manager – Caroline Sumner at Meetings Management. The HAH 2011 Conference Registration Desk will be open from 8:00am on Monday 7th September 2011. Delegates can also register securely on-line at: www.meetingsmanagement.com/hah_2011

VENUE & ACCOMMODATION
The venue for HAH 2011 is the Novotel Cannes Montfleury in Cannes, France.

NOVOTEL CANNES MONTFLEURY
25 AVENUE BEAUSEJOUR
F06400 CANNES,
FRANCE

Tel: +33 493688686  Fax: +33 493688787
Website: www.novotel.com - see on-line booking instructions

The organizers have negotiated special discounted accommodation rates for HAH 2011 delegates at the Novotel Cannes Montfleury. Please use the Accommodation Booking Form provided in this brochure to qualify for the special rates.

ACCOMODATION BOOKING FORMS SHOULD BE SENT DIRECT TO THE HOTEL AND NOT TO MEETINGS MANAGEMENT.

Please note: Please book a room at the Novotel Cannes Montfleury according to the rates available via the on-line booking instructions and leave your company name on the booking form. Conferences rates are available for Pre-registered delegates only.

ACCOMODATION BOOKING FORMS SHOULD BE SENT DIRECT TO THE HOTEL AND NOT TO MEETINGS MANAGEMENT.

PUBLICATION
A conference issue of HUMAN ANTIBODIES including the final programme and abstracts of all presentations, oral and poster, will be distributed to delegates when they register at the conference.

TABLE TOP EXHIBITION
Table Top Exhibition space is available at the meeting. Exhibitors can showcase their products or services by reserving a table top exhibit. The exhibit area will be located adjacent to the main conference area where all refreshments breaks will be taken to ensure maximum traffic of conference delegates. If you are registering for the conference, you can reserve a table for £995. If you do not wish to attend the conference sessions, you can reserve a table for £2295 (includes admission to all meals/receptions by one company representative).

Please note: If you wish to have additional representatives on your table top exhibit there will be an additional charge for catering levied per head. Please contact the Conference Manager for this additional price.

Please make your bookings and payment using the relevant section on the Delegates Registration Form on the back page of this brochure. All general enquiries regarding Table Top Exhibition facilities at HAH 2011 should be directed to John Herriot at Meetings Management (E-mail: jherriot@meetingsmgmt.u-net.com)

DELEGATE PACK INSERT SERVICE
Company literature/brochures/conference brochures may be distributed to delegates as part of the documentation issued on arrival/registration. One insertion in the HAH 2011 delegate pack is priced at £425. Please make your booking and payment using the relevant section on the Delegates Registration Form on the back page of this brochure. All general enquiries regarding Delegate Pack Insertion services at HAH 2011 should be directed to John Herriot at Meetings Management (E-mail: jherriot@meetingsmgmt.u-net.com)

Please note: Literature for distribution to HAH 2011 delegates is subject to approval by the conference organizers.

INSURANCE & CANCELLATION
The organizers cannot be held responsible for any personal accident or damage to their private property of participants at HAH 2011. The organizers strongly urge participants to ensure they have adequate travel and personal insurance cover before they depart for the conference. The organizers cannot be held liable for any costs incurred should the conference be cancelled for any reason. Maximum notice of cancellation will be given by the organizers to all pre-registered delegates.

PROGRAMME
The HAH 2011 Scientific Advisory Committee and the HAH 2011 Conference Organizers reserve the right to alter any part of the published conference programme if this is necessitated by any circumstances outside their control. All efforts will be made to keep any such changes to a minimum. The programme published in the brochure was correct at the time of going to press.

CANNOT ATTEND?
If you and your colleagues are unable to attend the conference, the conference materials (CD of abstracts, speaker handouts, late abstracts, attendee list, pack materials and literature) are available for purchase. While not intended as a substitute for actual attendance, these materials would at least provide a documentary record of the event and allow you to keep you or your organization’s library up to date. The cost of providing this non-attendee package is £395 (including postage and packing). To order this package from Meetings Management please use the relevant section in the Delegates Registration Form on the back page of this brochure.

ANY QUESTIONS?
For further information and assistance, please contact: Caroline Sumner HAH 2011 Conference Manager (details below).
